

RULES OF THE RIVERSHYRE POOL ORGANIZATION

Revised, April 12th, 2008

The following rules are established for the safety and benefit of all members of the Rivershyre Pool Organization and their guests.

The Rivershyre Pool Committee has recommended and the Board of Directors of the Rivershyre Community Association has adopted the following rules as a condition of membership. Each family must complete and return annually a Pool Membership Application on which they must sign their agreement with the rules set forth by the Pool Committee. Each family will agree that the Rivershyre Community Association and the Rivershyre Pool Management staff are absolved of all liability in a cause for action, where it can be shown that there has been a failure to comply with the rules stated herein. The Rivershyre Pool Committee and the Board reserve the right to change these rules at which time the membership will be notified.

The pool Attendants are authorized to evict any member or guest who violates and/or fails to comply with the rules and to enforce such additional rules as may be deemed necessary for proper and safe operation of the pool. Repeated infractions will be referred to the Pool Committee that may suspend pool privileges for the violator as necessary. Should the situation warrant, the Board reserves the right to cancel the annual membership of the offender.
