

The Villages of Rivershyre

2010 POOL PARTY RULES

1. Any member of the pool organization may hold parties at the Rivershyre Pool Facility for a fee described below in Rule 11. Residents of Rivershyre that are not members of the pool can also use the facility for parties for an additional fee of \$100.
2. Party reservations include reserved use of a portion of the picnic area (see Rule 7) but do NOT include exclusive use of the entire pool facility (during normal hours) or access to the clubhouse. The pool will remain open to all regular members from 10:30am until 9:00pm. The clubhouse may be reserved in conjunction with the pool party but clubhouse reservations and fees are separate and must be arranged through separate channels. Clubhouse information can be found on the Rivershyre Website at www.rivershyre.org.
3. Parties must be scheduled through the attendants in advance who will record the name, phone #, date, time (including duration), anticipated number of participants and whether an additional attendant is required (see Rules 4 & 5). A minimum deposit of \$35 is required at sign up, however the full fee required per Rule 11 may be paid in advance.
4. The attendants are CPR qualified; they are not Certified Lifeguards. If a dedicated attendant is required for the pool party, this must be scheduled in advance through the Attendant Coordinator. The fee for additional attendants is listed below and may be paid in advance or at the Concession Stand at the time of the party.
5. Parties for children under 11 years old require “supervisors” of at least 16 years or older for every 6 children. Such supervisors are not considered participants for the purpose of determining party fees. Additional attendant(s) may be used in lieu of supervisors.
6. Checks must be made payable to **Rivershyre Community Association** or **RCA**. Checks may be given to the attendant on duty.
7. Reserving a party gives the renter 2 picnic tables for 2 hours of time, which will be reserved by the attendant on the day of the party. The grills are available on a first-come first-serve basis.
8. Should the pool be required to be closed for any reason prior to the party time, the attendant will make every effort to notify the party at the number listed on the schedule as soon as the pool is closed. Refund of the party fees will be discussed with the pool committee, not the attendant.
9. The party host is responsible for cleaning up the eating area after the party, **NOT THE ATTENDANTS**, unless an additional attendant has been hired for the party.
10. Fees:

12 participants for 2 hrs	\$35 (if clubhouse is also rented, pool fee is \$15)
More than 12 participants	\$1 per additional participant
