

2006 Rivershyre Tigersharks

May 5, 2006

To: Non-Rivershyre Resident RTS Swim Team Members

Non-Resident Swim Team Membership Option

After much consideration and debate, an additional membership option is being offered for the 2006 swim team season. This effort is being made to accommodate non-resident families who have been faithful supporters of the Rivershyre Tigersharks swim team. While it is preferred that families join the pool, it is recognized that pool membership is not practical for some who may be unable to use it or may own a pool of their own. Remember that without the pool, we would have no team.

Availability: This swim team membership option is available only to non-Rivershyre residents who do not wish to join the Rivershyre Community pool.

Cost: \$200 per swimmer

Pool Usage: Fee includes \$150 pool usage fee per swimmer. Pool usage is limited to swim team members only (no family members) and is only available on days for which there is a scheduled swim team function (i.e. practice, meet, or social). Pool may be used before or after the function on that day. These rules are not meant to be exclusive, but only to be fair to those who have paid to join the pool.

Acceptance: Please indicate your acceptance preference below. Payment of \$200 per swimmer is due upon submission of acceptance. Previous payment will be credited and refund processed if applicable. By choosing to decline this option you agree to join the Rivershyre Community pool as a condition of swim team membership. Pool membership fees are payable to: Rivershyre Community Association / Pool.

I accept the non-resident option described in this letter:

Name/Date

I decline this option and will abide by the terms of team membership as stated on the 2006 Rivershyre Tigersharks Swim Team Registration Form:

Name/Date

We appreciate the continued support of non-resident families and feel that your efforts have been vital to making the Rivershyre Tigersharks a valuable community asset. Thank you for your consideration in this matter. Please let us know if you have any questions or concerns. Go Tigersharks!

Sincerely,

Tim Troutman, CSRA League Rep.

Phil French, Registrar

George Patton, Coach
